Special Accession Requirements: Must volunteer for duty involving aerial flight and be physically qualified and psychologically adapted for flight per reference (e) Article 15-92. Must be certified as Class II swimmer prior to completion of Recruit Training, with the potential of qualifying as Class I swimmer during AW training. Rescue swimmer and sea-air rescue training included in AW guarantee, therefore, strong swimmers are desired. Normal color and depth perception. Vision must correct to 20/20 in both eyes and correction must be worn. In accordance with reference (e), Article 15-92, applicants must meet the hearing standards for Student Naval Aviator (SNA) (refer to chart below). No speech impediment. All applicants will test for "reading aloud" in accordance with reference (e) Article 15-95. In accordance with reference (f), aviation duty minimum and maximum nude body weights are 103 pounds and 245 pounds respectively. Applicants for aviation programs are held to strict physical standards and therefore are less likely to be recommended for waivers. All waivers to the physical standards for AIRC applicants shall be submitted in accordance with reference (e), Article 15-83. Hay fever, asthma, bee sting/food allergy reaction and chronic motion sickness are disqualifying. All AWS will be accessed either as AIRR ATF or AIRC ATF. No drug convictions or drug history other than marijuana or alcohol. For AIRR, the Warrior Challenge Program Manager at Commander, Navy Recruiting Command (NRC N32) may conduct a program eligibility determination for ONE misdemeanor drug abuse conviction (marijuana only) OR a possession of drug paraphernalia (marijuana only). Determinations will be made strictly on a case-by-case basis. Must be 30 years of age or less at time of accession.
